

Presentation of Fisuel

FISUEL Vision

Affordable, safe & sustainable
access to electricity
for all
everywhere

The large majority of accidents and fires are preventable

Residential & Non-Residential

Facing safety challenges

Electricity is playing a stronger and stronger role in our world

Electrical installations and products are getting old

Needs of electrical devices increase

Deceit or dangerous electrical products proliferate

Main Goals

Influence politics /
authorities in order
to update their
national regulations

Elaborate
credible &
timelessness
statistics

Impose Initial &
Periodic Controls of
the electrical
installations

Encourage
compliance with
Standards (devices
& installations)

Increase and
exchange on
qualifications &
skills

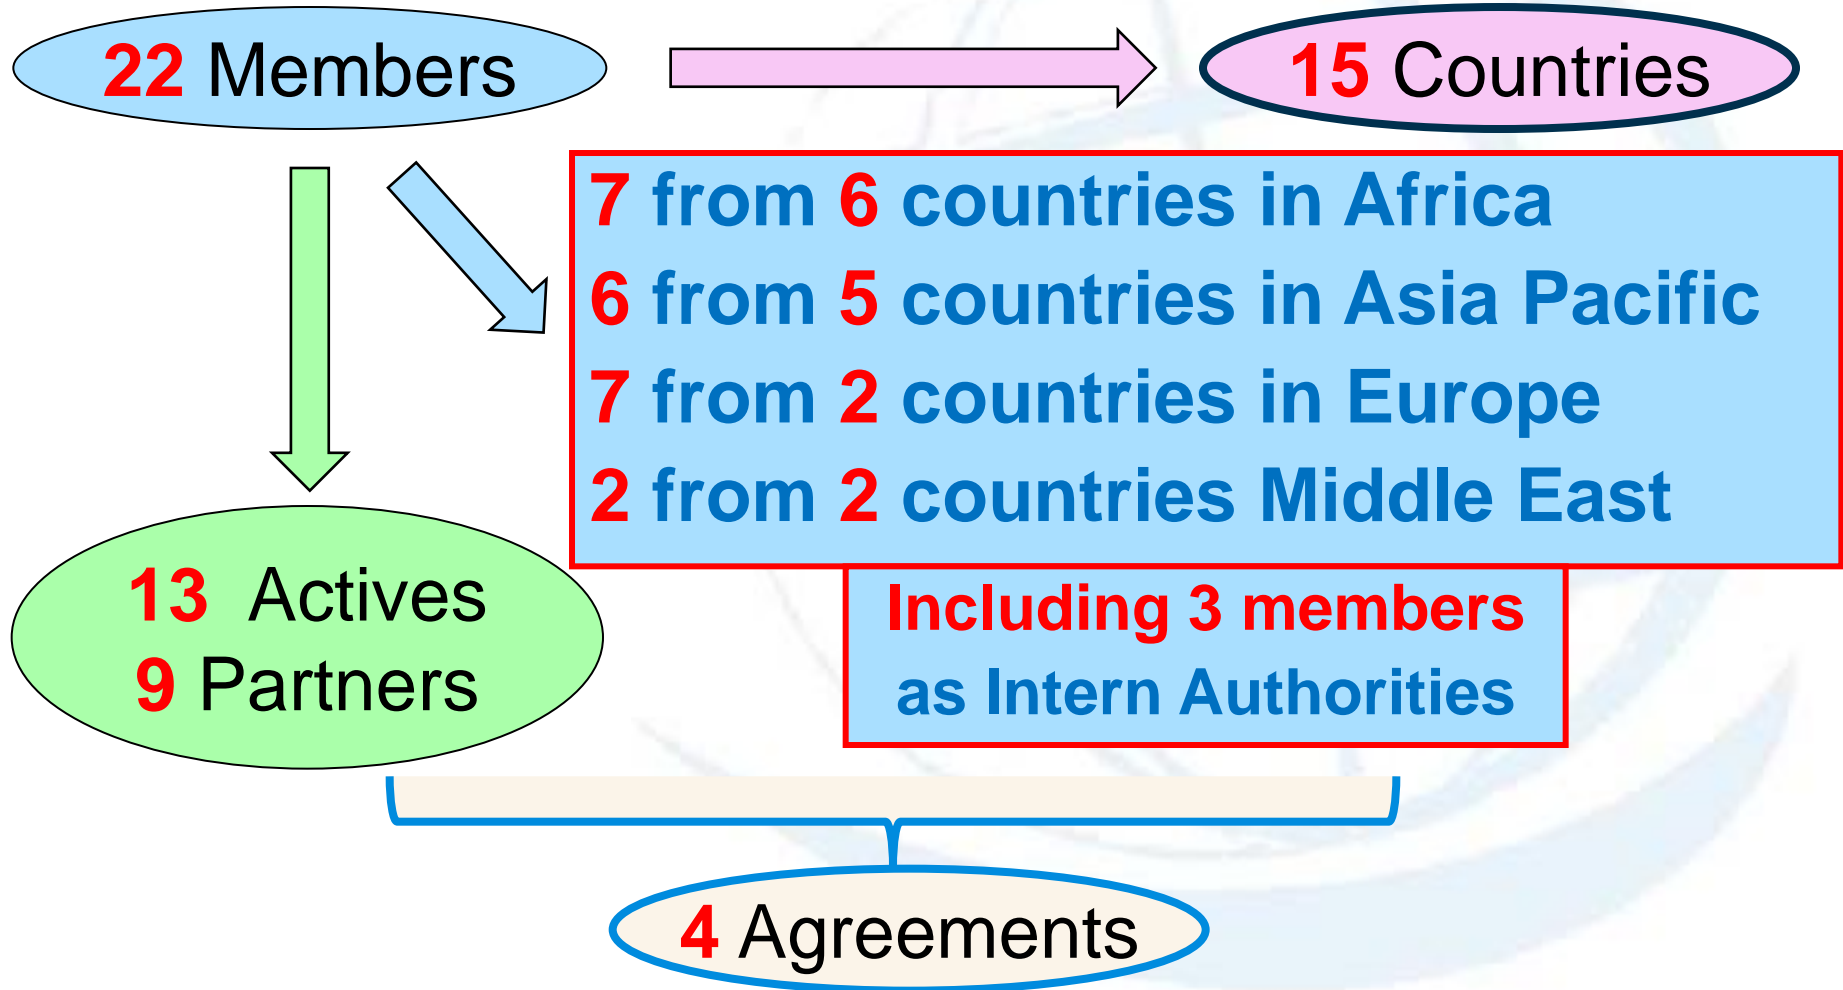

Fight against deceit
electrical devices
(counterfeiting, non-
compliant,...)

Fisuel in January 2018

Remind :

- **Active member** : legal person **in charge of any mission relating** to the safety of electricity users.
- **Partner member** : legal person **involved in or interested** in the safety of electricity users and wishing to contribute to its development.
