One rainy
day.....

by chang0448

Move!!!

In the Dark...

A close-up photograph of a snake's head, viewed from the side. The snake's mouth is open, and a bright, glowing light source is visible inside, illuminating the interior of the mouth and the surrounding tissue. The light is a bright yellowish-white, creating a strong contrast with the dark background. The snake's scales are visible on its head and neck. The text "To the light" is overlaid in a bold, yellow font on the right side of the image.

To the light
