FISUEL Vision

**Affordable, safe & sustainable
access to electricity
for all
everywhere**

The large majority of accidents and fires are preventable

Residential & Non-Residential

Facing safety challenges

Electricity is playing a stronger and stronger role in our world

Renewable Energy takes a strong place in our world

Needs of electrical devices increase

Electrical installations & products are getting old

Deceit or dangerous electrical products proliferate

Main Goals

Encourage compliance with **standards** (devices & installations)

Elaborate credible & timeless **statistics**

Impose Initial & periodic **controls** of electrical installations

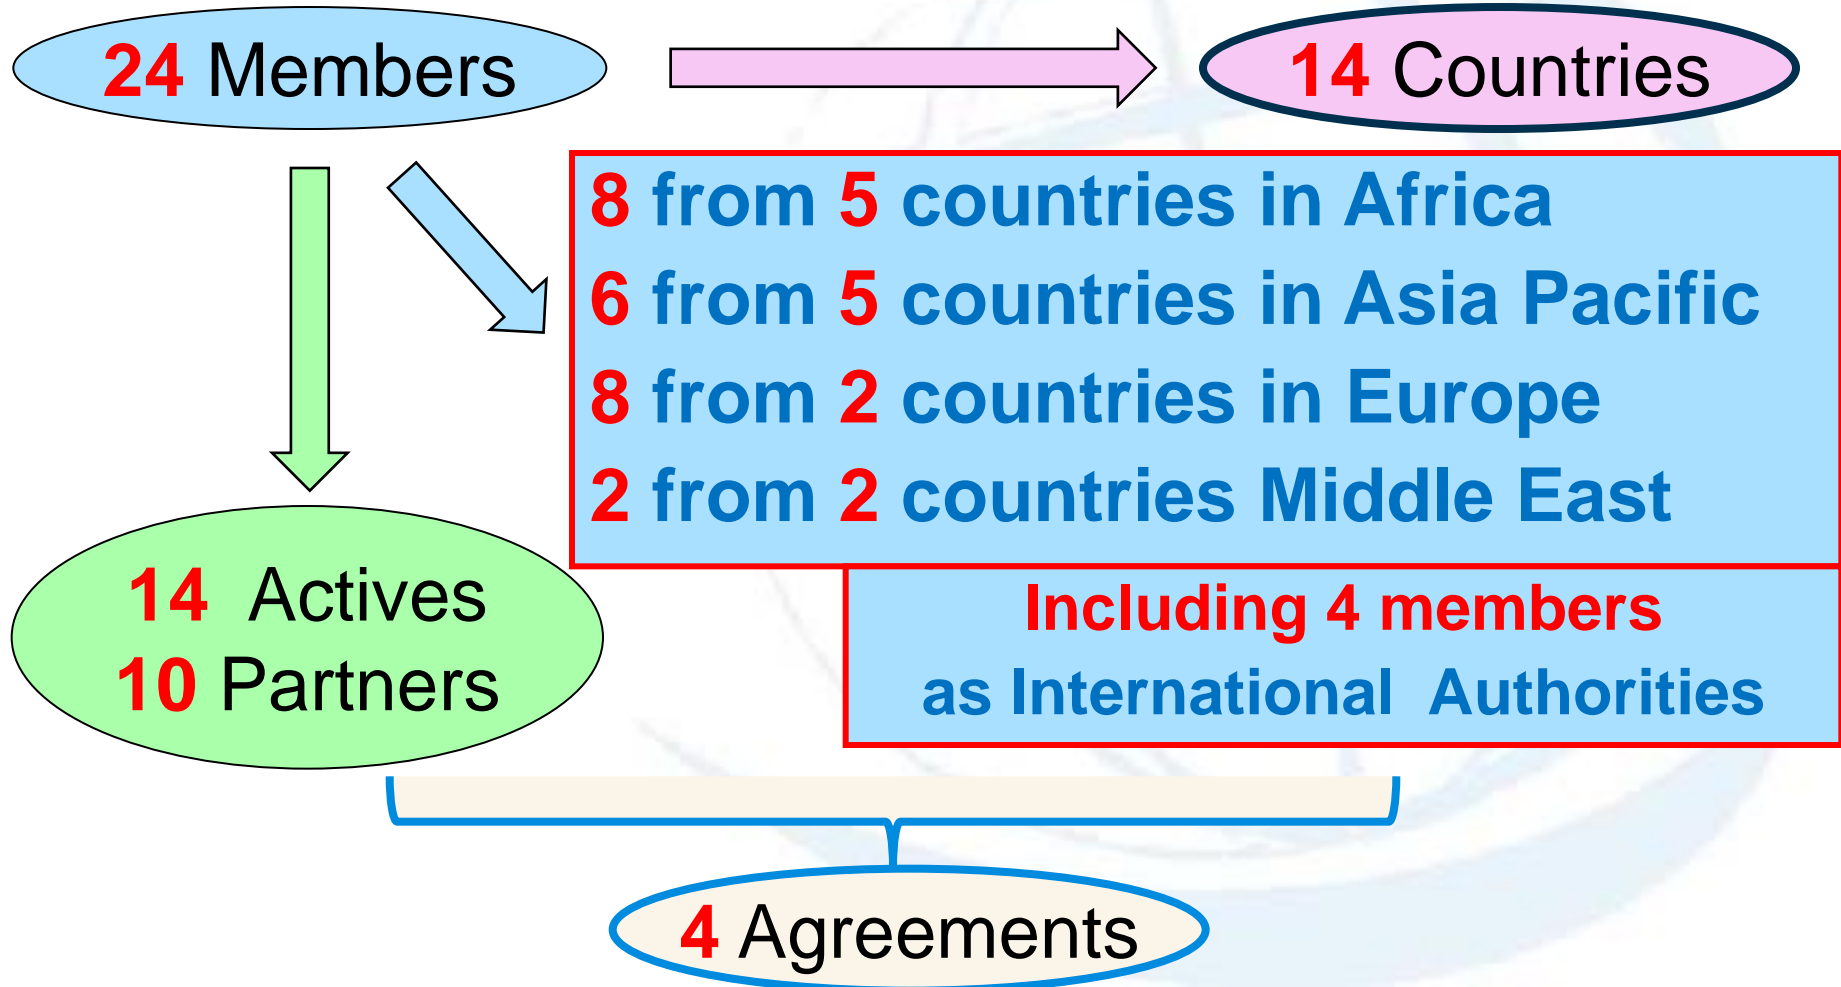

Fight against **deceit** electrical devices counterfeiting, non-compliant

Increase & exchange on **Best-practices** qualifications & skills

Influence **politics** / **authorities** to update their national regulations
