#### Market, Manufacturers & Customers

### Market

• Must be safe, healthy, fair

Answers to Customers / Consumers needs

Opened to those who respect the rules

#### Manufacturers

#### **Customers**

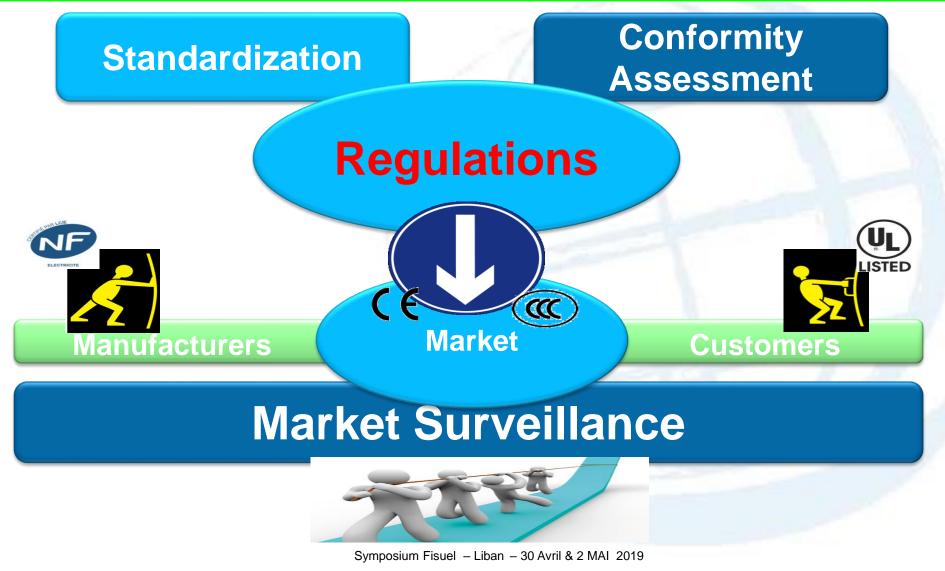

Need to know and respect the rules

Need common technical rules (Standards)

Need to make fair business

Symposium Fisuel – Liban – 30 Avril & 2 MAI 2019

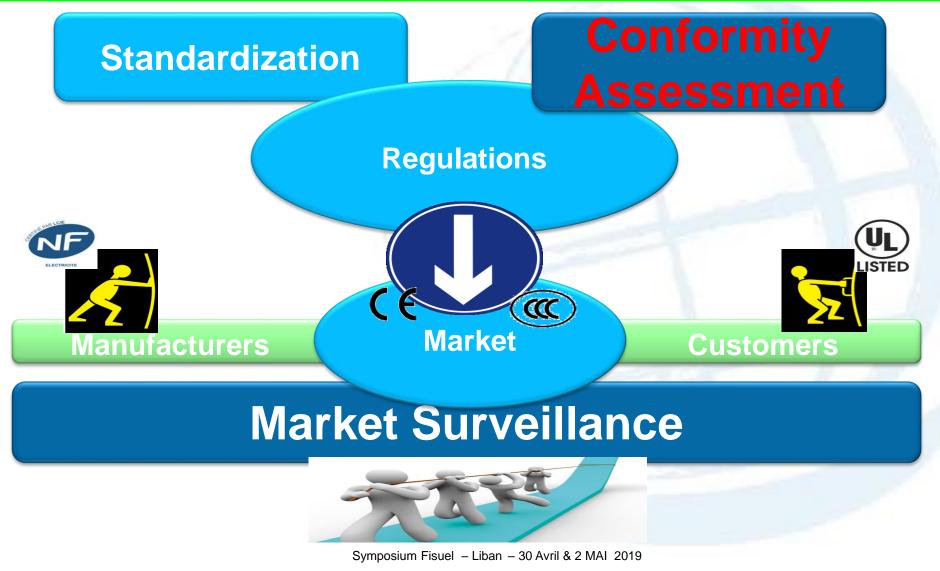

### Regulations

### Regulations

- Give the rules to the stakeholders
- Made by governmental structures
  - Explain how to respect the rules
- Organize the Market Surveillance activities
  - $\,\circ\,$  Must be compliant with WTO / TBT rules

### **Conformity Assessment**

### **Conformity Assessment**

• Explain how to demonstrate compliance to applicable rules

Is based on known technical rules

• Usually international, regional or national standards

Can be based on International certification schemes

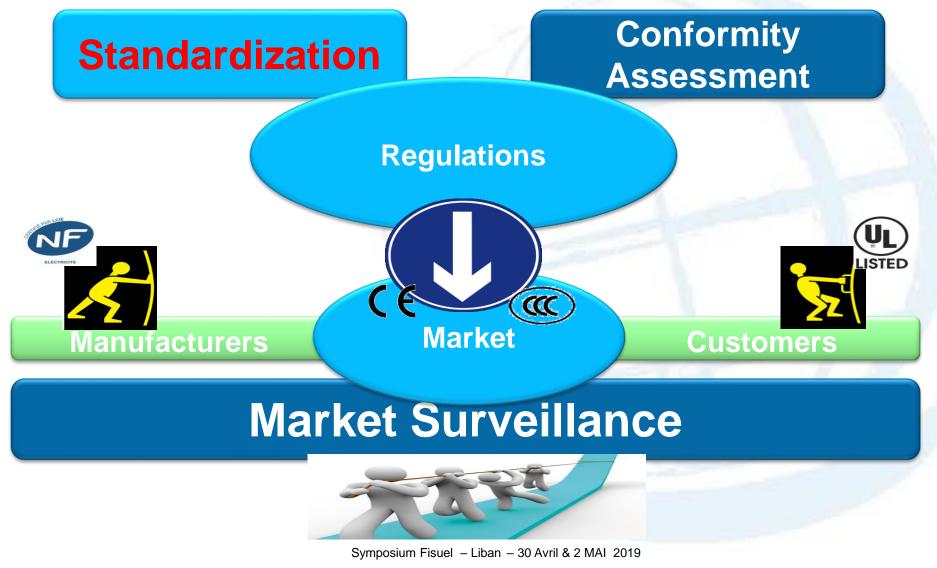

○ IECEE, IECEx, IECq, IECRE, ...

o 1<sup>st</sup> or 3<sup>rd</sup> party : Declaration of Conformity / Certification

 $\,\circ\,$  Must be compliant with WTO / TBT rules

Symposium Fisuel – Liban – 30 Avril & 2 MAI 2019 Fisuel Symposium – Lebanon – 30th of April & 2rd of MAY 2019

### **Standardization**

 $\,\circ\,$  Must be compliant with WTO / TBT rules

### **Market Surveillance**

### **Market Surveillance**

• Must ensure compliance with the rule

• Made by Authorities

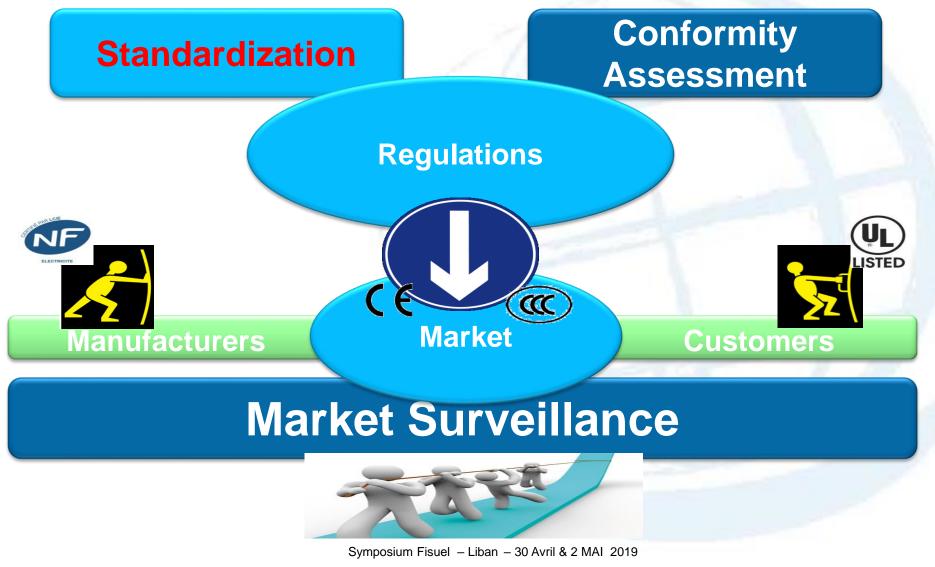

Must be dimensioned to answer the threat

• Can be a risk-based approach

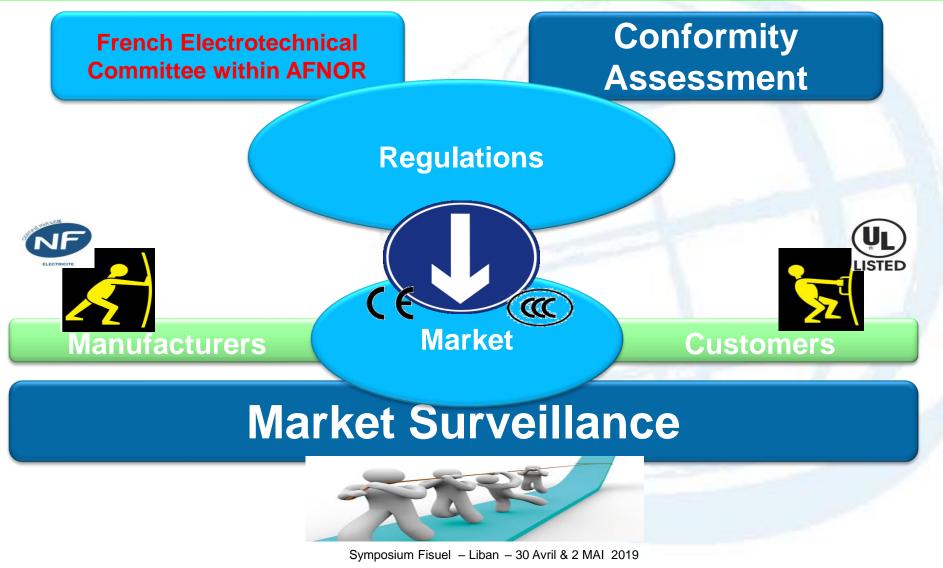

Fight against non compliant and counterfeited products

Collaboration with private organization should be encouraged

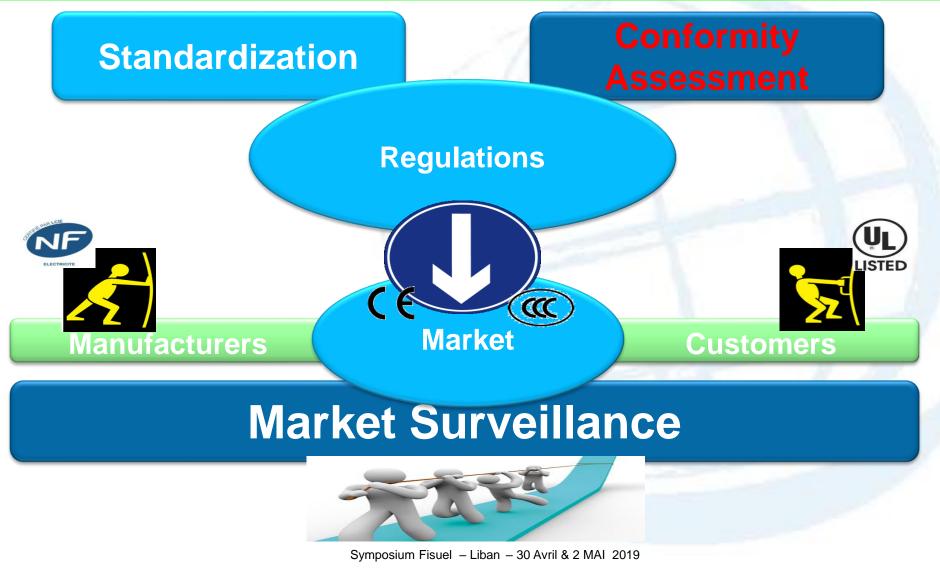

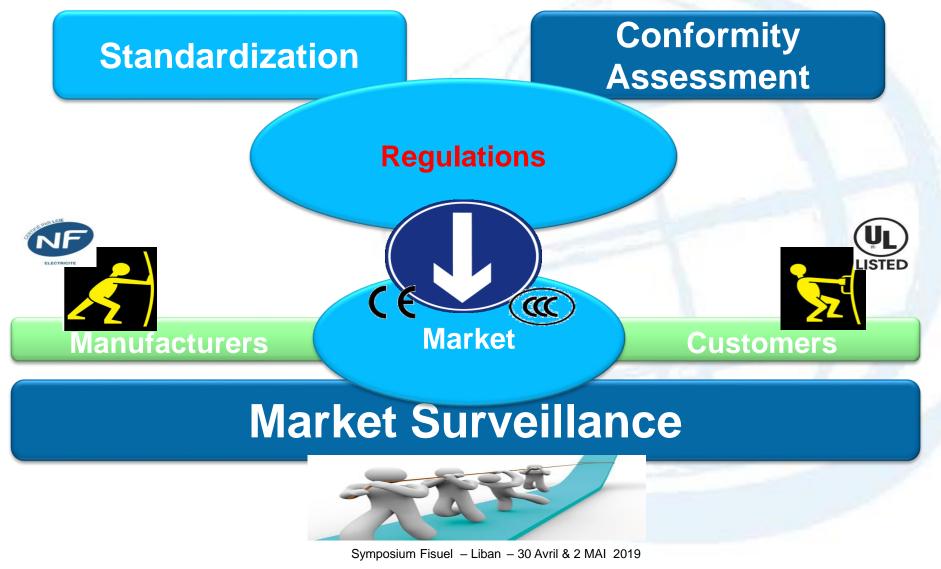

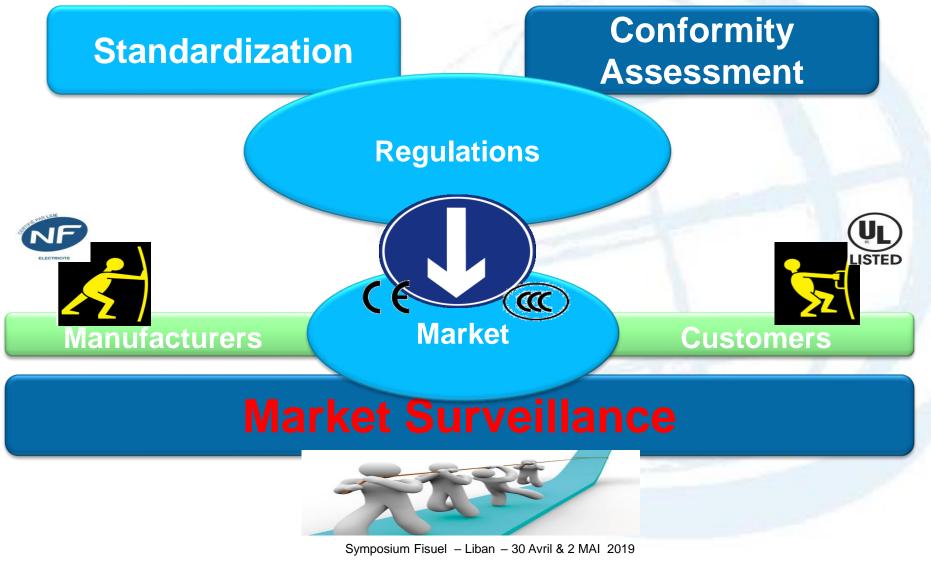

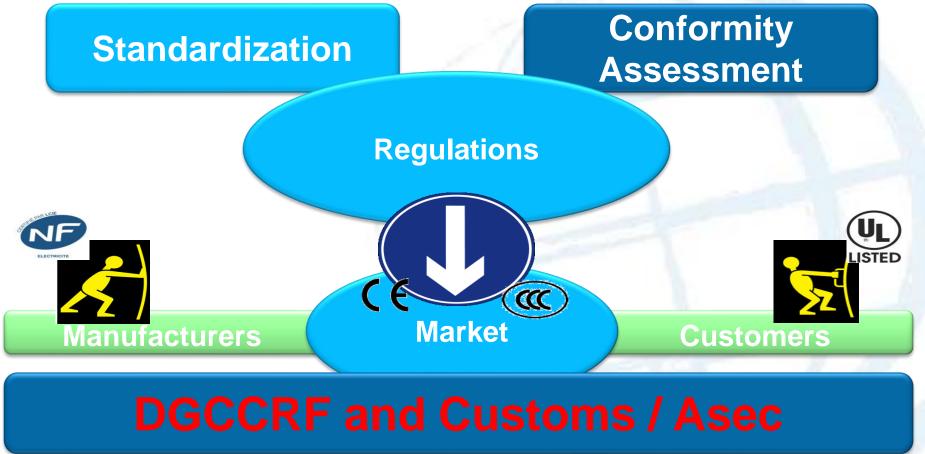

Symposium Fisuel - Liban - 30 Avril & 2 MAI 2019

Symposium Fisuel - Liban - 30 Avril & 2 MAI 2019

### The challenges

Regulations	The heart of the system. A national challenge to be done under the Government Responsibility
Standardization	Can be done from the International System (IEC/ISO/ITU), with a zest of National Requirements
<b>Conformity Assessment</b>	Use of International System such as the IEC Conformity Assessment Scheme

**Market Surveillance** 

A National prerogative developed by the Authorities. One of the strongest challenge
