

2025 Presentation of Fisuel

Created in 2002 – initiative Consuel

President : Dominique Desmoulins

Treasurer : Marc Maslowski

FISUEL Vision

**Affordable, safe & sustainable
access to electricity
for all
everywhere**

Residential & Non-Residential

Raise the Electrical challenges

- Demand for access to electricity, are increasing
- Existing Electrical Installations, are getting older
- Devices with serious risks, proliferate

- Electricity, an increasingly important role
- Extension of installations, more and more numerous
 - Installation for Renewable Energy
 - Installation for Electric Vehicle Charging

Main objectives

- The “**Electrical Safety**”, for all, all over the world with the help of our partners
- Become the WW reference for electrical safety
 - Encourage compliance with standards
 - Influence to create and update regulations
 - Fight against devices with risks

Orientations

1. Compliance of Electrical Installation

- Domestic and non-domestic
- Impacts of new technologies
- Promote the 6 electrical safety points in existing

2. Expectations of members in **new areas of electricity**

- Photovoltaics, electric vehicle charging installations, ...

3. Fisuel Worldwide Image and Communication

- World Electrical Safety Barometer
- Statistics on electrical safety
- Creation of the affiliate member
- Website in Fr and Eng

Actions plan 2023 - 2026

- Expand worldwide representation (affiliated member)
- Manage by region (WGs) and transversally (actions)
- Develop inspections for Residential
- Compare IPPV validation systems
- Enrich the WESB site with 100 country sheets
- Structure the global statistics observatory
- Develop the Fisuel approach for the non-residential sector
