

Elektrik Mühendisleri Derneği İktisadi İşletmesi
Electrical Engineers Association Economic Enterprise

İstanbul – TURKIYE : General Secretary : Alper Celebi

Affiliate member – Europe Middle East

Objectives

- ETMD, established in 2000
- A non-governmental organization
- Objective: To ensure
 - implementation of applied technologies for the electrical engineering profession.
 - continuous development of electrical engineering.

Expectations from Fisuel

- Coworking on increasing the safety standards for electrical wiring/installation techniques
- Implementation of safety checks and periodical controls starting from the residential applications based on success stories from other countries
- Listening and learning from other countries other safety related implementations (such as EV charger installations checking/controls & safety measures)
- Common activities (such as webinars..)

Closing Seminar

MERCI - THANKS
